**Special General Meeting:** As a result of a number of changes over the years we need to modify the Constitution, originally adopted in December 2006, under which we operate. Your committee has worked through this process, and using the Model U3A constitution as a basis have produced a revised version for adoption.

There will be a Special General Meeting (SGM) prior to the start of our Monthly Meeting on 14<sup>th</sup> March to vote on the adoption of the new constitution. This should not take more than a few minutes.

We need a minimum of 20% of the membership for a quorum so please make a special effort to attend, and vote on the resolution.

For those of you who receive your Diary as hard copy, because it is 8 pages long, we have not sent you a copy of the proposed constitution. If you would like to see one before the meeting then give Alan Vincent (01341 247415) a call and he will get a copy printed and sent to you.

Members on email will find a copy attached to this email.
